PAWS Holiday Fun Timmy

PAWS is an activity programme where parents and children can enjoy a variety of specially designed play sessions together. It's ideally suited for parents with children from 12 months up to 4 years of age.

Each day we provide the place, the space and the playthings, you bring the children and the rest is only limited to a child's imagination. On hand to help parents will be a cheerful member of staff to set everything up for you and clear away after each session. It's Child's Play!

As part of the PAWS programme, parents and children can enjoy the following tailor made activities:

- ☐ **Making Doodles** allows children to make shapes, paint, and crayon, stick it all together then take home each masterpiece with our compliments.
- ☐ **Toy Time PAWS** is a free flow period when children can bring their own toys or use ours provided and do what they do best - Play!

PAWS is not a child minding facility and parents are required to remain and supervise their children throughout all PAWS sessions. There's something for everyone at Camp Tura. The center is a great jumping-off point for the outdoors, but also has many fun, structured activities for kids of all ages and abilities. The Tura staff are always ready to assist with a range of disabilities and needs. There's always a good time and a great place to hang out for hours of fun.

The Q-Word is about a boy with a letter 'Q' on his forehead. The boy is looking at the letter and thinking about it. The letter is green and has a small 'Q' on it. The boy is wearing a blue shirt and has a surprised expression. The background is a light blue sky with a few white clouds.

The fantastic fun pool is a big hit with all the family. There's a shallow paddling area for the toddlers, plus bubble pool and slooshing slide.

The kids have a great time in Raiders Fun Palace, when they're not joining in the activities of the Tiger Club or meeting friends on the adventure playground.

There's plenty for teenagers too with their own programme of events in T-CO. new for 2000.

- **Borth Animalarium** - enjoy a close encounter with the animal kingdom.

Manorbier, Pembrokeshire

North Wales

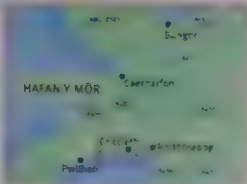

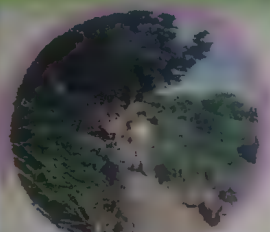

Famous for Snowdonia National Park with its spectacular views of spectacular scenery, North Wales is a beautiful location for a memorable family holiday. It is also a superb location for those with long sandy beaches and many tourist attractions.

All you need to know

Arrival and departure times

Your accommodation is available from 4 pm on the day of your arrival once it has been cleaned and prepared for you. We are happy to welcome you at the Park earlier and when your accommodation is ready you may move in.

In order for us to prepare for our next guests we do ask that you vacate your accommodation by 10 am on your day of departure.

Late arrivals

If you expect to arrive after 7 pm on the first day of your stay, please let the Park know so that we can make arrangements for you to collect your keys. Half board guests should note that restaurants are not open after 7 pm, although snacks are available on Park. Unless the Park is previously notified, you must claim your accommodation by 8 am on the day after your holiday was due to start, otherwise we will treat your booking as cancelled (see cancellation conditions on page 193).

Great family holidays

Haven's Parks and their facilities are intended for family and adult holidays. We are therefore sorry that we cannot accept any single parties under the age of 18. All male or all female parties of young people are accepted only at the Company's discretion.

What do you need to bring?

Self-catering

Our well equipped self-catering accommodation contains cooking items, crockery and cutlery as well as bed-linen for your party size. You will need to bring washing up materials, plus towels, toiletries and personal effects.

Half board

Our half board chalets provide towels and bed-linen, so all you need to bring are pool/beach towels, toiletries and personal effects.

Launderette facilities are available for any washing you may need to do during your stay.

Special menu requirements

All of our Parks provide Vegetarian options at each

meal, as well as those from the Salad Bar, Omelette Bar and Wok Bar (where available). Should anyone in your party have any other dietary requirements, please let us know when you book your holiday, using the Special Requests box on the Booking Form, so that we can make special arrangements.

Special requirements

If you have any other special requests regarding your holiday accommodation please advise us when making your booking and confirm your request in writing when forwarding your Booking Form. Please include a phone number in case of any query. We will endeavour to meet your requests, however this cannot be guaranteed.

Guests with disabilities

We are happy to provide as much advice and information as possible to people with disabilities who wish to holiday at our Parks.

It is important that you talk to us before making the booking as, for example, not all Parks or accommodation are suitable for guests with disabilities and wheelchair access may be limited. It is therefore essential that you give us as much detail as possible so that we can advise you on suitable locations and ensure that you get the most enjoyment from your holiday.

Many of our self-catering Parks have caravans specially adapted for wheelchair users. Please note that due to their weight and size, not all accommodation is suitable for electric wheelchairs.

We have modified some chalets at selected Parks, to provide wider doorways, handrails and ramps for easier access.

Some guests may also need able-bodied assistance in some accommodation.

Again please discuss this with us before making your booking. Our staff will be pleased to advise and assist you with your detailed requirements.

All requirements must be confirmed in writing when forwarding your Booking Form. Special requests cannot be made a condition of your booking as they are always subject to availability.

Dogs and other pets

For the convenience of other guests, no pets (with the exception of guide dogs only) are allowed in half board accommodation.

Most dogs are welcome in selected accommodation at certain Parks, at a charge of £40 per dog per week and £20 per dog per short break, up to a maximum of two animals per accommodation unit. Other pets may be permitted at the discretion of the Park General Manager. Please contact the Park direct to discuss charges prior to making your booking. Parks which do not accept animals are clearly identified on the individual Park pages of this brochure.

Where dogs are allowed, they must always wear a collar and identity tag and be kept on a lead under the control of a responsible adult at all times. Dogs and other pets are not allowed in facility buildings, restaurants or food service areas and swimming pool areas. Dogs are allowed only in Economy and

Bronze standard accommodation excluding 2000 model caravans. These restrictions do not apply to guide dogs. We reserve the right to require the owner of any dog or other pet to remove it from the Park if we consider it a nuisance or to be interfering with the general comfort of guests.

Certain breeds of dog are not allowed on any Haven Park, in order to maintain the safety and well-being of all our guests. Please check at the time of booking.

Please note that where a public footpath or right of way crosses our parks, dogs cannot be excluded from that area.

Cots and highchairs

Self-catering

Cots for chalets are available at a charge of £5 per week. In most chalets cots will be positioned in the living room. Please remember to bring your own cot linen. We do not recommend the use of cots in caravans as they do not fit in the bedrooms. However, a bed retaining rail is available free of charge for one single bed in all our caravans. A limited number of highchairs can be hired at most self-catering Parks. Please contact the Park direct for details.

Half board

Cots are provided free of charge and will usually be located in the main sleeping area.

Highchairs are also available free of charge in half board restaurants.

Children

We provide a range of indoor and outdoor facilities for children:

Paws (12 months-4 years)

At selected Parks, the Paws programme operates Easter-28th October. Paws is an activity programme suitable for parents and children aged 12 months up to the age of 4. It is not a child minding facility and parents are required to remain and supervise their children at all times throughout the activity sessions. Places are limited and parents are asked to reserve a place on arrival at the Park.

Rompers playground (under 5s)

At selected Parks, Rompers playgrounds and play areas are a cheerful place where your children have the opportunity to play under your supervision, both during the morning and in the afternoon.

The Tiger Club (5-10 years)

At our All-Action and Lively Parks, between May 27th and September 8th, we operate Animal Crackers (5-7 years) and Jungle Rangers (8-10 years) each providing a range of activities suited to their age groups. At other times of the year and at other Parks the Tiger Club combines the best of both activities for 5-10 year olds. Please see individual Park pages for details.

T-CO. (10-14s)

With their own dedicated leader, T-CO. operates on our All-Action Parks Easter-September 8th and at Lively Parks May 27th-September 8th.

Your responsibility

Whilst we are happy to provide these activities, they are not a child care facility. Please note that at all times the safety of children is the responsibility of their parents or guardians.

It is of course important that you always know where your children are and the times that the clubs start and finish, so that you can meet up with them. Young children aged eight and under must always be collected by their parents.

Please help us by making sure that your children understand that they should always obey the instructions of the HavenMates, T-CO. leaders, Sports Instructors and Lifeguards, so that the possibility of accidents can be reduced.

Please take care

Please treat the property, facilities and accommodation at your Haven Park with respect and care so that other guests may continue to enjoy them. In the event that you notice damage to any facility or in your accommodation please report it to reception immediately so that we can take appropriate action.

Accommodation will be inspected at the end of the holiday and you may be charged for any loss or damage found. We reserve the right to enter accommodation under any special circumstances or emergencies.

Licensing Laws

In accordance with UK licensing laws, we can only sell alcohol to persons aged 18 or over. We may require you to show proof of age using an approved form of identification. We accept the following forms of ID at Haven Parks: full passport, a new style driver's licence incorporating a photograph, a Portman Group proof of age card.

Use of your holiday home

Only those people listed on the Booking Form/Confirmation can occupy your accommodation and use the facilities of the Park. If this legal requirement is not met, your booking will be terminated and you will be asked to leave, with no refund made.

If you have any friends who wish to visit you while you are staying with us, please see the Duty Manager who will arrange a day pass for them.

Unreasonable behaviour

For the convenience of our guests, we reserve the right to terminate a holiday without compensation, where the unreasonable behaviour of the persons named on the Booking Form or their guests might impair the enjoyment, comfort or health of other guests.

Infectious diseases

Infectious or contagious diseases could easily be passed to other guests while on holiday. You must inform the duty manager should you contract any such illness while on holiday. In order to protect our guests and staff, anyone found to have such a condition may be confined or requested to leave the Park.

Calculating your holiday cost

The price grid on the individual Park pages shows the tariff for the holiday date and accommodation chosen. For a two week holiday just add together the tariff for the two relevant weeks. Supplements will be charged if you have requested a cot, are bringing a pet, require travel tickets or insurance, have requested a 2000 model, Bronze Plus, Bronze Plus extra wide or Barry Village caravan, or a Bronze Plus chalet or lodge. Supplements are also charged on half board holidays if you have requested silver, gold or accommodation with a lounge, or walkways service.

Occupancy supplements

At half board Parks, there are single chalets, but these are in great demand. When these are full, and a single person occupies a chalet designed for two or more people, we may add a Single Occupancy Supplement to your invoice. Where a party of fewer than four people occupies a chalet designed for more people, an under occupancy supplement may be charged. You will be advised of this charge at the time of booking.

Prices

We guarantee that the price of your Holiday will be as agreed and shown on your Holiday Booking confirmation for your party size, and for the accommodation you choose, plus any supplements and insurance chosen. We reserve the right to increase prices only where there is an increase in Value Added Tax or any other tax applicable to your holiday. Please note that all prices shown are inclusive of VAT at the rate of 17.5%.

Certain caravans and chalets are sub-let by us on behalf of private owners who are not registered for VAT. In such cases the price shown in the brochure does not include VAT on the booking charge, but does include a handling fee (which includes VAT). In any event the price shown remains the same.

Availability of facilities

The price grids on individual Park pages show the dates on which the Park is open, as well as the opening and closing dates of facilities such as outdoor swimming pools, shops and services as well as the operation of our entertainment programme.

Please note that at our All-Action Parks with more than one evening entertainment venue, prior to 27 May and after 9 September 2000, entertainment may only be provided in one venue, in order to ensure everyone's enjoyment. At selected smaller Parks during these early and late periods entertainment is provided at weekends only, although our bars will be open for your enjoyment during the week.

Please note that guests must be over one metre tall to use our swimming pool flumes. For the Fun Towers, guests must be over 1 metre tall to use the Multi Lane Slide and Snake Slide and over 1.4 metres tall to use the Free Fall Slide.

Other facilities may also have height and age restrictions. Please check at the time of booking.

The operation of our Parks is subject to legislation and the guidelines laid down by the Health & Safety Executive and Local Authorities and their codes of practice. We accordingly reserve the right to adjust our services in order to meet these standards.

It is possible that in some circumstances accommodation, entertainment or a facility may have to be temporarily withdrawn, due to maintenance, renovation, adverse weather conditions, changes in governmental legislation, or any other factor outside our control.

We reserve the right to make such alterations in the above circumstances without prior notice, and are unable to accept liability for the loss of an advertised facility, or to pay compensation for any inconvenience caused.

Should changes occur, we will advise of these changes where made prior to booking and will use reasonable endeavours to advise guests already booked of any changes made thereafter.

Travel arrangements

Where you take up the additional offer of ferry, coach or rail travel, all party members are subject to the terms and conditions of the service operator(s). Full details available on request. We cannot be held responsible for any unusual or unforeseen circumstances, including delays or breakdowns, on the part of ferry, coach or rail operators, which are beyond our control. Rail and coach arrangements are offered as an additional service for guests and do not represent an integral part of your holiday. The rail and coach travel options are not available to guests using budget or tent pitches.

Brochure accuracy

We take every care to ensure that the details of this brochure are accurate at time of going to press. Photographs are taken at our Parks and are intended for guidance only. Layout plans are for illustrative purposes only. Please note that not all items will be identical at all Parks. The Acts and Articles featured in this brochure are those which have appeared with us recently. They or acts of a similar calibre will be entertaining you in 2000.

If you have a comment

If you are dissatisfied with any aspect of your break, please speak to the Park Reception. In most cases they will be able to help you immediately so that you can enjoy the rest of your stay. However, if you are still not satisfied, you must then make an appointment to see the Duty Manager and record your complaint with them. If, at the end of your break, you feel that we have not dealt with your complaint satisfactorily, please write to the General Manager at the Park no later than 21 days after the end of your break. We are only able to take action on any complaints which are first brought to the attention of the Reception team whilst you are on your break and secondly received in writing within 21 days, unless there are exceptional circumstances. It is necessary for Haven to impose these limitations so that we have the opportunity to solve the problems experienced.

Any questions?

We try to ensure that this brochure has all the information you need to book the right holiday for you. Should you have any queries or special requirements not covered here, please ring our Holiday Administration Department on 0870 242 3333 (9am-6pm Monday-Friday, 9am-5pm Saturday). Or send us a fax on 0870 242 2244.

Travelling by coach

Let someone else do the driving this year, and take a coach. We've negotiated special fares with the leading coach operator, National Express, who will set down and pick-up at or near many of our Parks. Please note that our routes involve several pick-ups and set-downs (not only Havens) and exact routes and timings can be provided by our Travel Department. You will be advised of your exact pick-up point with your ticket.

Please note, coaches are unable to transport electric wheelchairs, prams or pushchairs. Folding buggies can be carried as hand luggage.

Fares apply to Saturday-Saturday bookings, with Monday and Friday departures offered on selected destinations, operating between 27 May to 16 September (final return journeys being on 23 September). Children under 5 travel free when accompanied by an adult paying adult as long as they do not occupy a seat (or you can pay the child price and

obtain a seat). High return fares apply to travel on All Holidays, Saturdays during July and August, and certain Bank and Public Holidays.

You must book no later than 1 week before the start of your holiday. To book, complete the section on the booking form. We will confirm your coach details to you and once your holiday balance is fully paid tickets will be issued and sent to you. Travel bookings are subject to availability. Haven cannot be held responsible for any coach delays, strikes or cancellations. All travel will be subject to standard conditions of National Express Ltd.

Under the Association of British Insurers General Business Code of Practice, we are required to draw your attention to important features of your policy including:

• Policy Documents: you should read the document carefully. It gives you full details of what is and is not covered and the conditions of the cover. Cover will vary from policy to policy and insurer to insurer.

• Health: your policy contains restrictions regarding pre-existing medical problems concerning the health of the people travelling and of other people upon whose health the trip may depend. You are advised to read your policy carefully.

• Conditions, Exclusions and Warranties: conditions and exclusions will apply to individual sections of your policy while general exclusions, conditions and warranties will apply to the whole of your policy.

• Date Recognition Failure: your policy may contain exclusions for losses arising from the failure of equipment or any computer program to correctly recognise the calendar date, for example the change to the year 2000.

• Dangerous Sports or Pastimes: any activity, other than those arranged by Haven, where there is a high risk of injury, will need to be referred to our Administration Department. Additional premiums may apply.

• Property Claims: these claims are paid based on the value of the goods at the time you lose them and not on a "new for old" or replacement cost basis.

• Policy Limits: most sections of your policy have limits on the amount the insurer will pay under that section. Some sections also include other specific limits, for example, for any single article, pair or set or for valuables in total. You are advised to check your policy if you intend taking expensive items with you.

• Policy Excesses: under most sections of the policy, claims will be subject to an excess. This means that you will be responsible for paying the first part of the claim. The amount you have to pay is the excess.

• Reasonable Care: you need to take all reasonable care to protect yourself and your property, as you would if you were not insured.

• Complaints: your insurance policy will have in it a complaints procedure which tells you what steps you can take if you wish to make a complaint.

• "Cooling Off" Period: your policy contains a "cooling off" period during which you can return the policy and get a refund, if you have a justifiable reason for being dissatisfied with the cover it provides.

Your policy is governed by the law of England and Wales. Any legal disputes will be dealt with in an English court.

If you would like more information, you should ask our Reservations Staff, particularly if you feel the insurance may not meet your needs.

PLEASE MAKE SURE YOU READ YOUR POLICY CAREFULLY. Full details of the insurance cover will be sent with your holiday confirmation.

Car Breakdown and Recovery Insurance

A breakdown en route could ruin your holiday plans so we have negotiated a special Scheme with Underwriters at Lloyd's to give you and your party additional protection. Our Scheme enables you to remain mobile following a breakdown so that you can enjoy your holiday to the full. You may already belong to a Motoring Organisation but will they pay for a week's car hire if you need it? At the nominal cost of £10 for 7 night holidays or £5 for 3 1/4 night short breaks, we would strongly recommend that you take advantage of this cover. The above premiums include a 1% insurance premium tax. Does not apply to Tinting and Tinting holidays.

Full details of the insurance cover will be sent to you prior to the start of your holiday.

The Underwriters will reimburse you following a breakdown, accident, fire or theft which leaves your vehicle immobile under either of the following sections:	
BENEFIT	CLAIM LIMIT
Section 1	
Emergency labour charges to repair your vehicle immediately	£200
Section 2	
Where the vehicle is unusable for more than 24 hours following a breakdown or illness of the sole available driver the following expenses can be claimed:	
Recovery to the nearest garage or railway station	Unlimited
Car hire (to continue your holiday)	£60 per day (maximum £200)
OR	
Alternative driver (chauffeur if the sole available driver is ill)	£60 per day (maximum £200)
OR	
Standard class rail/coach fares to reach your holiday destination or to return home	Unlimited
